Notes

From Ashton, the next door parish to Hartwell.

Poor Law and Militia records. Two poor Law references for 1707, both for an Abram Robins (both spelt the same), one for Gt Brington and one for Hartwell. If they are for the same person, moving between parishes for whatever reason (eg avoiding paying for a child was a not uncommon reason), then we could have a possible connection between the two locations.

Notes

From Preston. Preston Capes is near Hartwell, towards Daventry.

?? Born 1711 Maidford Northampton (about 4 miles from Preston Capes on road to Towcester).
